YOUR CANVAS

Your home is your canvas for creating an environment that represents your unique design style. Finding the right decorative accents to fit within your modern space is an exciting experience. The Spectrum series offers the ability to energize your design setting with color and flair.

This series presents designs that are high energy and perfect for those who are uninspired by conventional design. The artistic quality of this hardware is not only unique, but is guaranteed to be noticed.

NO BOUNDARIES

Break out of the norm, Express your style and let the Spectrum series enhance your ability to stand out and make a statement.

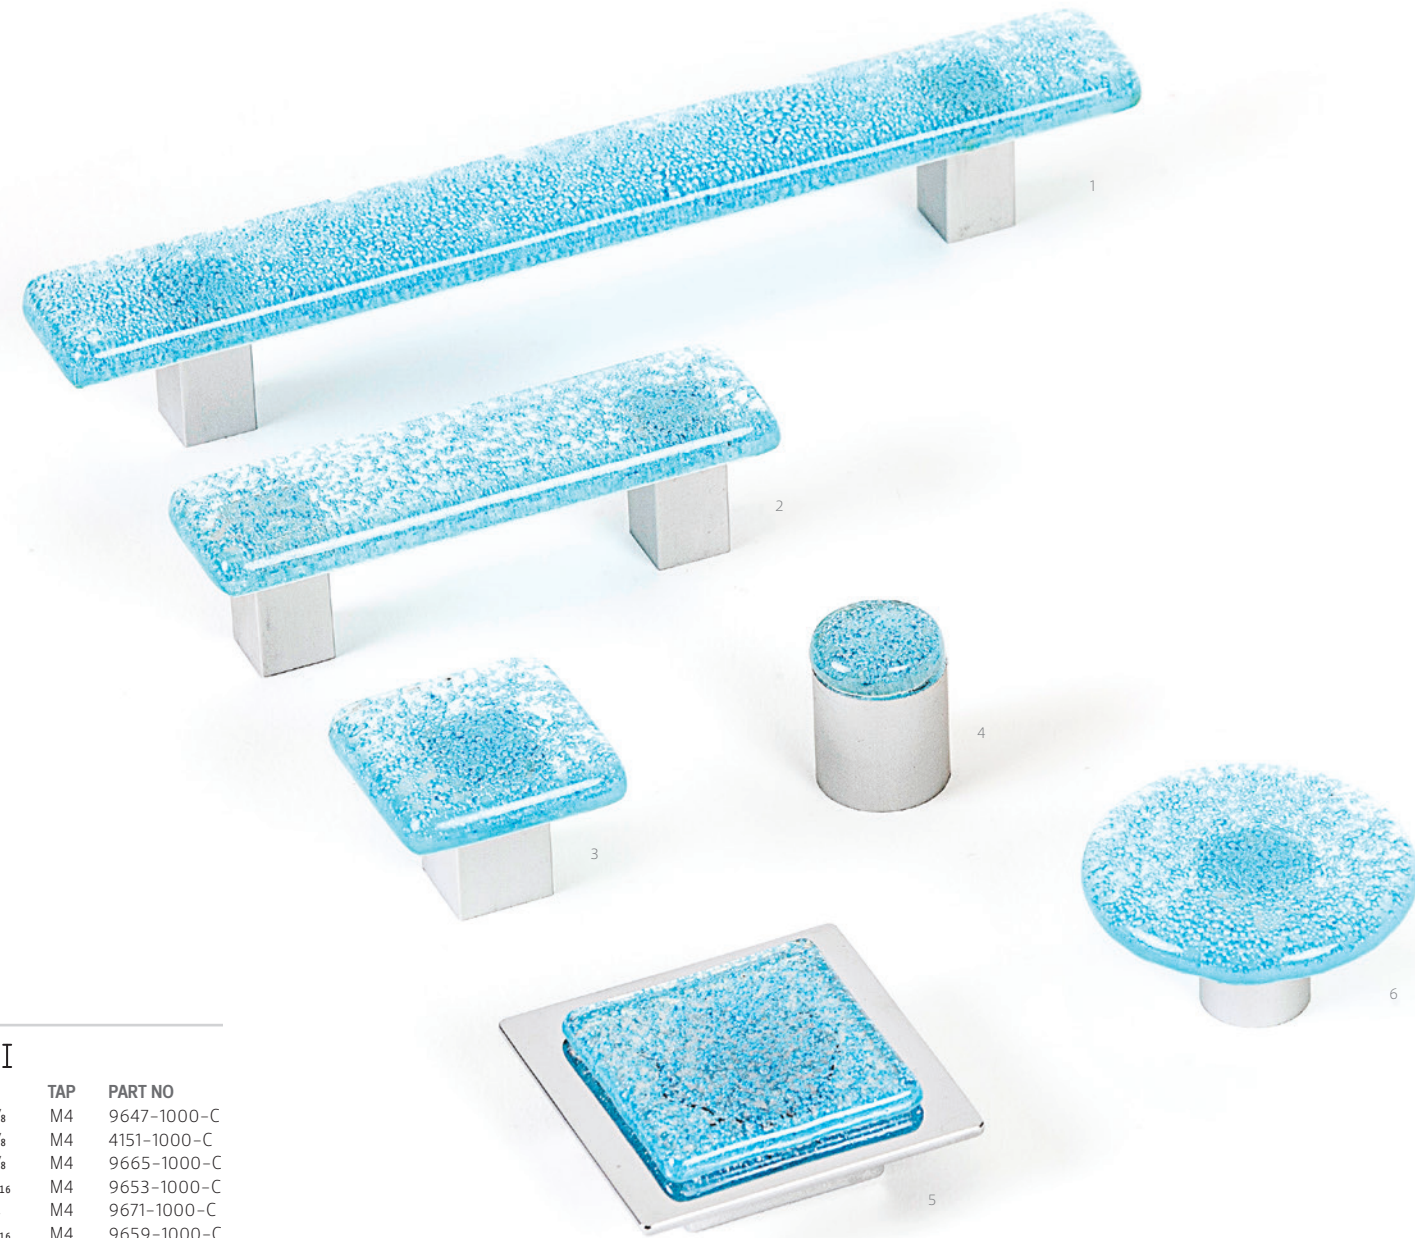

YOUR STYLE

Your style is something that defines you—both visually and emotionally. Spectrum embraces the stimulating power of vibrant colors. Just a splash or accent can evoke a sense of personal adventure and sophistication.
